Work Experience:

ADP, Senior Member Technical, Data Engineer | December 2025 - Present

- Designed and maintained enterprise-grade ETL data pipelines with proactive monitoring, issue resolution, and workflow optimizations for high availability and scalability.
- Managed end-to-end production ML lifecycle for job title classification and employee turnover prediction systems, ensuring reliability through periodic monitoring and improvements.
- Building a GenAI-powered data quality monitoring system to automate anomaly detection across pipelines.

ADP, Senior Member Technical, AI Engineer | April 2024 - November 2025

- Initiated an agentic data extraction POC that was approved as an enterprise GenAI use case; built a multimodal LLM-powered document schema analyzer and self-correcting data extractor achieving 95–99% accuracy.
- Transformed extracted data from multiple HCM vendor formats into a standardized enterprise-ready format with a custom validation framework, estimated to save several hundred associate work hours.

ADP, Member Technical, Software Engineer | November 2020 - March 2025

- Built and enhanced ADP's North American Tax Engine (N8) with R&D credit integration, ERC systems, and multi-jurisdiction payroll compliance, reducing IRS refund wait times, fines and improving client adoption.
- Modernized N8 infrastructure via AWS migration and built a BERT-based document review assistant, improving scalability and reducing manual review time for service associates.

Skills: Python, AI/ML, Data Bricks, Spark, Java, Spring, SQL, AWS.

Education:

Master's of Technology, Data Science And Engineering, CGPA: 7.26 | 2022 to 2024

*-Birla Institute of Technology And Science, **BITS-Pilani** WILP*

Bachelor's of Technology, Computer Science And Engineering, CGPA: 6.98 | 2016 to 2020

-ACE Engineering College, Hyderabad

Accomplishments:

- GATE Computer Science 2026 Qualified, Reg No: CS26S31516272, Score: 377, Rank: 22588
- ADP myMoment award in 2021 for outstanding contributions.
- Finalist in hackathons, Smart India Hackathon 2019 by MHRD India, Megathon 2018 by IIIT-Hyderabad.
- Achieved 1st prize in inter college Essay writing, inter school Chess and Kabaddi competition.
